

# Pam Withers inspires writers, encourages reading, and engages audiences.

An award-winning author and speaker, Pam speaks about her 22 best-selling outdoor adventure books – which are particularly popular with boys.

## NEWEST RELEASES

**The Parkour Club:** Not everyone in the parkour club is who they seem. And for some, the question is: How fast do you have to run to escape the past?

## COMING SOON

**Drone Chase:** Can Ray's drone skills recover his missing bear cub from poachers?

**Stowaway:** Owen's plan to sail away collides with some very dangerous people.

**Tracker's Canyon:** Tristan puts his tracking skills to the test to find his dad — but is it a trap?

**Bungee Jump:** Setting up a bungee jump off a haunted bridge invites mysterious mishaps.

**Andreo's Race:** Pursuing the truth about his birth parents gets Andreo entangled with a dangerous gang.

**Paintball Island:** Can paintball strategy and teamwork protect an island's wildlife?

**First Descent:** Ray's dreams of kayaking a wild river turn into a fight for survival.

**Going Vertical:** Biography of former world record-holder Tao Berman.

**Mountainboard Maniacs:** Can Jake and Peter, age 15, survive mountainboarding down an erupting volcano? YA

**BMX Tunnel Run:** Equipped with night-vision goggles, Jake and Peter ride an astounding maze of tunnels. YA

**Wake's Edge:** This wakeboard school has too much action. YA

**Vertical Limits:** Jake's obsessed with solo climbing, Peter's afraid of heights and someone has a death wish. YA

**Surf Zone:** Stranded on an island, Jake and Peter realize that surfboards offer their only escape. YA

**Dirtbike Daredevils:** A natural disaster challenges free style maniac Peter and his mechanic Jake.

**Skater Stuntboys:** When Jake and Peter land movie roles as skateboarding stuntboys, it leads to jealousy and sabotage. YA

**Adrenalin Ride:** After their guide disappears, Jake and Peter are plunged into the mountain-bicycling descent of their lives. YA

**Peak Survival:** When their heli-snowboarding/skiing trip goes wrong, the boys face a perilous descent back to civilization. YA

**Raging River:** Jake and Peter kayak down 95 miles of raging whitewater to save a stranded rafting party. YA

**Breathless:** Beverly learns dieting & scuba diving don't mix. YA

**Camp Wild:** Wilf escapes from camp by canoe. MG

**Daredevil Club:** Kip's friends do dangerous dares. MG

## **Her lively presentation for grades 4-9 includes:**

- Short readings

- Humorous anecdotes of how she researches her material
- The patience & persistence it takes to achieve success
- Special encouragement to boys
- The importance of rewriting & accepting criticism
- Tips on writing & getting published
- Extreme-sports video clips

**Presenter fee:** \$325 in the U.S. and Canada. Includes all expenses. No maximum audience size.

## **What others are saying:**

*"Our students are still talking about Pam's visit! She's a very engaging speaker. Her combination of book talks, personal experience, video clips, props, and audience participation, kept our large audience attentive and wanting more!"*

Trudy Griebenow, Librarian, Sunnyside Elementary, Idaho Falls, ID.

*"Exciting, informative, fast-paced, and thoroughly engaging to our entire middle school!"*

Mary Raymond, Librarian, LaConner School District, LaConner, WA.
